Sing to God a new song,

for God has done marvelous things!

Make a joyful noise to God, all the earth,

for God is still doing marvelous things!

Break into joyful song!

Sing praises with lyre and melody and trumpets!

Let the seas roar and the floods clap their hands!

For God is coming to judge the world with righteousness.

Millions of Americans face the reality of living with a mental illness. That is why in May, hundreds of organizations across the country are raising awareness about mental health. Mental illnesses are medical conditions that disrupt a person's thinking, feeling, mood, ability to relate to others, and daily functioning. Mental Health Awareness Month is an opportunity for us to let everyone know that mental illnesses can affect people of any age, race, religion, or income. They are not the result of personal weakness, lack of character or poor upbringing and cannot be overcome through willpower. But they are treatable. Most people diagnosed with a serious mental illness can experience relief from their symptoms by actively participating in an individual treatment plan.
